AT THE FOUR CORNERS REGIONAL AIRPORT
AIP# 3-35-0016-026-2013
PROJECT # FAA13
CONTRACT CONTROL # 14-100231

ADDENDUM ONE

August 21, 2013

Notice to Bidders: The above referenced bid is hereby amended as follows:

Change total calendar days completion from 129 to **134.**

Change Subcontractor's listing threshold from $5,000 to **$10,109.50.**

In order to avoid possible delays due to weather conflicts, will The City of Farmington allow the project to be started and constructed in the Spring of 2014?

The City intends to begin the project this year; however, if FAA delays award of the project that will cause weather concerns, the City is amenable to beginning the project in Spring 2014.

If all Additive Alternates are awarded, is the contractor required to construct in four separate phases, or can the alternates be combined into less than four separate phases?

Mill and fill will have to be done in phases to accommodate traffic.

Where does the temporary painting go item number 17 for the base bid?

As directed by the engineer.

Contractor is required to provide a gate guard for the gate by the fire station.

An escort (Airport personnel) will only be required for the animal control fence.

Driver training will not be required for this project. Delete all statements of this requirement in the bid documents.

Weekend work is allowed.

A pre-bid conference was held at the Executive Conference Room at City Hall at 10:30 am on August 19, 2013. The purpose of this pre-bid was to answer any questions, as might arise, with respect to the requirements and execution of the proposal. Questions resolved at this meeting are included in the "Minutes" and will be kept in the bid file. Bidders interested in receiving the "Minutes" may obtain them by accessing the Purchasing page of the City of Farmington website, www.fmtn.org or by calling (505) 599-1386.

Receipt of this addendum shall be noted on Form AF-1(a).FAA in Tab I – Bidding Forms & Bidding Requirements for the above referenced bid.

If your bid has already been submitted to this office, and this addendum will affect your bid quote, please contact this office and we will return your bid. Any bids that have been received, and are not requested to be returned will remain in this office unopened until **August 27, 2013** at 2:00 p.m.

The undersigned bidder, having familiarized himself with the conditions affecting the performance of the work and with the Contract Documents, including the Advertisement for Bids, Instruction to Bidders, Bid Proposal, Bid Bond, Agreement, Performance Bond, Labor, Material, and Tax Payment Bond, Notice of Award, Notice to Proceed, Conditions of Contract, Special Conditions, Drawings, Specifications and all Addenda thereto, as prepared by the City of Farmington, all of which are made a part hereof, hereby proposes, in accordance with said Contract Documents, to furnish all plans, equipment, labor, materials and supervision to perform the work summarized hereafter on each Bid Schedule upon which a proposal amount is inserted.

The total bid for each Bid Schedule includes all work necessary to complete that portion of the project described in each Bid Schedule, and the total of all Bid Schedules represents the entire scope of work covered by the Contract Documents. If a particular item of work is not specifically separated as a bid item, the cost therefore shall be included in the bid item most nearly related.

The total bid for each Bid Schedule is based on the quantities shown in this Bid Proposal and on the dimensions shown on the plans where specific quantities are not itemized. When Bid Schedules are based upon unit prices, the Contract Amount will be adjusted by change order at the corresponding unit prices according to the actual quantities and measurement of the finished construction as determined by the Field Engineer upon completion of construction.

Supplemental unit prices may, when included in this Bid Proposal, be used as a basis to adjust the Contract Amount by change order should it become necessary, in the opinion of the Owner or Engineer, to add or deduct work not otherwise subject to adjustment by stipulated unit prices.

If awarded a contract, the undersigned Bidder agrees to complete the work for final acceptance within the following number of calendar days after issuance of the Notice to Proceed.

~~129~~ 134

Administrative items: 30 days
Base Bid: 45 days
Additive Alternate 1: 2 days
Additive Alternate 2: 14 days
Additive Alternate 3: 14 days
Additive Alternate 4: 10 days
Additive Alternate 5: 14 days
Airfield markings following the pavement cure time: 5 days

Bidder further agrees to pay as liquidated damages, the following sums for each consecutive calendar day thereafter that the work remains uncompleted:

$1,500

Attached hereto is the required proposal guarantee described as follows:
The proposal guarantee shall be 5 % of the total amount bid.

The Engineers Estimate is: $2,021,900.00 (includes base bid and all five alternates)

Subcontractor's listing threshold $~~5,000.00~~ **$10,109.50**

The bidder certifies that this bid is genuine and is not made in the interest of, or on the behalf of, any undisclosed person, firm, or corporation, and that this bid has been arrived at independently, without consultation, communication or agreement as to any matter related to this bid with any other Bidder or competitor.
