FARMINGTON METROPOLITAN PLANNING ORGANIZATION
Agenda Item #2

Subject:	FFY2014-2015 UPWP & Budget Amendment
Prepared by:	Joe Delmagori, MPO Planner
Date:	March 3, 2014

BACKGROUND OR PREVIOUS WORK

- The Policy Committee approved a UPWP budget amendment in January 2014 to reflect final PL Work Authorization and carryover amounts.
- In February, the NMDOT Planning Bureau informed the MPO of the need to amend the FFY2014-2015 UPWP and budget based on funding changes.
- Federal PL carryover funds from FY2012 are being removed from the MPO budget.
- Current federal FFY2014 PL funds are being revised to show an increase.
- NMDOT has approved the use of FFY2013 federal PL funds in FFY2014.
- UPWP budget amendments need to be provided to NMDOT by March 15 as described in the Planning Procedures Manual (PPM).

CURRENT WORK

- Due to budget constraints, the FY2012 federal PL carryover funds in the amount of \$72,863.82 are being removed from the UPWP budget.
- Due to an administrative error, federal PL funds for FFY2014 total \$198,985 rather than \$170,013.
- The FFY2013 federal PL funds in the amount of \$196,487 stay the same.
- Based on the amendment, the total PL federal funds for the MPO now equal \$395,472.
- The change in federal PL funds, from January's amendment to this amendment, is about \$43,000 less.
- MPO staff has provided justification to NMDOT that federal PL funds from FFY2013 and FFY2014 will be spent by September 30, 2014 with minimal carryover.

ANTICIPATED WORK

- Hire consultants and make purchases as outlined in the UPWP budget.

ATTACHMENTS

- Existing UPWP budget, as of January 2014.
- Revised UPWP budget, pending March 2014 amendment.
- Allocation of federal PL funds by line item.

RECOMMENDATION

- It is recommended that the Technical Committee review the changes included in the amendment and recommend approval of the amendment to the FFY2014-2015 UPWP and Budget.
