**Application Type:  Transfer of ownership and location of Liquor License**

Dear Mayor and Council Members:

A public hearing was held, pursuant to proper public notice, on April 25, 2014 at 9:00 a.m. in the Executive Conference Room at the Municipal Building concerning the above referenced license.

Present telephonically at the hearing was Linda Aiken representing the applicant. No one else from the public participated. Russel Frost observed.

Ms. Aiken spoke of the franchise and its history; the type of operation; and the training of employees.

This application is for transfer of ownership and of location of Liquor License from Alamowing Santa Fe, LLC, doing business as Buffalo Wild Wings on 3501 Zafarano Drive, Santa Fe, NM to LAB NM Investments, LLC, to do business as Buffalo Wild Wings on 2700 East Main, Farmington, NM.

The premises for the new location have not yet been constructed. The fire department has not inspected the premises, but indicates the plans appear appropriate.

After reviewing the application; the reports from the City departments, police, zoning, fire and traffic; and hearing the comments from the applicant's representative concerning the effect on health, safety,

and welfare of the citizens of Farmington, it would be my recommendation to the City Council that the application be approved.

If I can provide anything further, please let me know.

ATTENTION: Department or person responsible for conducting or preparing the public hearing for liquor license transfers or issuance of new liquor licenses. \*(Please review the revised instructions for approval or disapproval below.)

Greetings:

The Director of the Alcohol and Gaming Division has granted Preliminary Approval for the referenced application and is being forwarded to you in accordance with Section 60-6B-4 NMSA of the Liquor Control Act.

Within forty-five days after receipt of a notice of preliminary approval from the Alcohol and Gaming Division, the governing body shall hold a public hearing in the question of whether the department should approve the proposed issuance or transfer. Notice of the public hearing required by the Liquor Control Act shall be given by the governing body by publishing a notice of the date, time and place of the hearing at least once a week for two consecutive weeks in a newspaper of general circulation within the territorial limits of the governing body, which requires that two weeks of publication must be satisfied before a hearing can be conducted. The notice shall include: (A) Name and address of the Applicant/Licensee; (B) The action proposed to be taken by the Alcohol and Gaming Division; (C) The location of the licensed premises. The governing body is required to send notice by certified mail to the applicant of the date, time and place of the public hearing. The governing body may designate a hearing officer to conduct the hearing. A record shall be made of the hearing.

The applicant is requesting a Transfer of Ownership & Location Liquor License:

The governing body may disapprove the issuance or transfer of the license if:

The proposed location is within an area where the sale of alcoholic beverages is prohibited by the laws of New Mexico. \*\* (The governing body may disapprove if the proposed location is within 300 feet of a church or school unless the license has been located at this location prior to 1981 or unless the applicant/licensee has obtained a waiver from the local option district governing body for the proposed licensed premises.)

The issuance or transfer would be in violation of a zoning or other ordinance of the governing body. The governing body may disapprove if the proposed location is not properly zoned. Because this office is in receipt of a zoning statement from the governing body, this is not a basis for disapproval.

The issuance would be detrimental to the public health, safety or morals of the residents of the local option district. Disapproval by the governing body on public health, safety or morals must be based on and supported by substantial evidence pertaining to the specific prospective transferee or location and a copy of the record must be submitted to the Alcohol and Gaming Division.

**\*Within thirty (30) days after the public hearing, the governing body shall notify the Alcohol and Gaming Division *in writing* as to whether the local governing body has approved or disapproved the issuance of transfer of the license and by signing the enclosed original Page 1 of the application. *The letter of approval/disapproval and the Page 1 must be returned together with the notice of publication(s).* If the governing body fails to either approve or disapprove the issuance or transfer of the license within thirty days after the public hearing, the director *will* give final approval to the issuance or transfer of the license.**

If the governing body disapproves the issuance or transfer of the license, it shall notify the Alcohol and Gaming Division within thirty (30) days setting forth the reasons for the disapproval.
