

**CITY OF FARMINGTON
CITY COUNCIL WORK SESSION AGENDA
August 17, 2021 – 9:00 a.m.**

DEPARTMENT HEAD REPORTS

1. Roll Call and Convening the Meeting (Mayor)
2. Financial overview of property tax, gross receipts tax (GRT), general obligation bonds and GRT bonds (Erik Harrigan, Financial Advisor to the City)

Action Requested of Council:

Information only.

3. Presentation of the final design for Piñon Hills Golf Course's irrigation upgrade and cart path revision (Shaña Reeves and Chris Jones)

Action Requested of Council:

Authorize staff to proceed with the bid process.

Background/Rationale:

Piñon Hills Golf Course has an aging irrigation system that requires a comprehensive upgrade and replacement along with a cart path revision. Completing the irrigation system project will create better water conservation, course coverage and improved maintenance of the system. The cart path revision will allow for ease of access and safety.

Gary Kaye Design & Project Management was contracted in April of 2021 to design construction documents for the upgrade/replacement of the current irrigation system, revise the cart path system, provide bid documents and specifications and provide an estimate of probably cost.

Staff Recommendation:

Proceed with the bid process.

Instructions Upon Approval:

Staff will begin the bid process.

4. Presentation of and direction to staff regarding proposed 408 Fund projects (Rob Mayes)

Action Requested of Council:

Provide direction to staff.
