Call to Order

- 1) The meeting was called to order at 1:30 pm by member Daniel Martinez. Roll call was taken and there was a quorum to hold the meeting.

Approval of the November 10, 2020, Electrical Code Advisory Committee Meeting Minutes

- 1) A motion was made by Member Sheak and seconded by Member Dennis to approved the November 10, 2020 ECAC minutes. Motion passed 5-0

Old Business

- 1) Member Martinez stated that CID Manufactured Housing Division now has an inspector for this area. It was decided that Member Martinez and member Sheak would contact him to invite him to the next ECAC meeting.
- 2) Member Sheak talked on the issue of placing 10 mobile homes on one 200 amp service. It was decided that member Anglia would get with Roberto Ga, City of Farmington Distribution Engineer, to bring possible suggestion to the next ECAC meeting form review.
- 3) Member Dennis asked if the FEUS would have the same issues as Texas had with the power issues with their storms this winter. Member Anglin explained Farmington is tied to a regional power grid and that would not happen in Farmington.
- 4) Member Dennis asked if the City of Farmington was interested in installing electric vehicle charging stations. Member Anglin stated FEUS is only installing them at a limited few locations at this time.
- 5) Member Childers discussed now that we are improving on Covid numbers and are now meeting in person, we should get back on track with having regular meetings.

- 6) Member Anglin discussed the new CT can detail. Robert Ga will bring it to the next ECAC for review and approval.

Communication

- 1) None

New Business

- 1) Adoption of the 2021 Open Meeting Resolution regarding day, time and location. A motion to approve the Open Meeting Resolution Act as written was made by member Childers and seconded by member Dennis. Motion passed 5-0

Complaints

- 1) None

Adjournment

- 1) A motion to adjourn was made by member Dennis at 2:23 pm and seconded by member Anglin. Motion passed 6-0

Next Meeting Tuesday, August 10, 2021

Roger Sheak, Electric Contractor, Member-Chairman
