

# Farmington MPO Trucking Volumes: 2004-2012 Average Daily Traffic (ADT)

**Trucking Volumes (ADTs)**

- 0 - 140
- 141 - 573
- 574 - 1,404
- 1,405 - 2,190
- 2,191 - 4,375
- FMPO Boundary

FMPO traffic count locations are on a 3 - year cycle with the exception of river crossings which are counted annually. Speed and vehicle classification data are also collected at several strategic locations. Trucking volumes were calculated by aggregating vehicle classification categories 5-13. Gaps in the data may exist where vehicle speed and classification data have yet to be collected.
