Join us for this STEM to Read program

"S" is for SCIENCE

The Quirkles® are 26 imaginary scientists that help children everyday, all over the world, develop a love and appreciation for science.

Come to the Farmington Museum for this engaging weekly program.

It's easy as A to Z

First we read about a Quirkle then we SCIENCE!

3041 East Main Street  for more info call 599-1425
