

DOWNTOWN FARMINGTON REVITALIZATION – COMPLETE STREET PROJECT – April 15, 2020

Project Update – Week 15:

We are pleased to report the project is on schedule.*

Work Completed:

- 90% of Electrical and Irrigation conduit has been installed
- 95% of LID system in N. Orchard Ave. parking lot installed
- Placed water quality manhole for LID #3 on Friday
- Placed remaining flat tops on manholes

The Week Ahead – April 15 to April 22:

- Electrical and irrigation conduit installation continues on the south side of Allen Ave.
- Orchard Ave. LID #3, piping and inlets installation
- Relocate gas line and water line on N. Orchard Ave.
- Pouring concrete collars for manholes
- Paving alleyway and parking lot at Orchard Ave. and Arrington St.
- Rough grading
- Curb and gutter grading

A Look Beyond a Week:

- Form and place curb and gutter
- Drop inlets and surface inlets installation

Work Hours:

- Construction hours: Monday through Friday from 7am to 7pm. Noise level and vibration monitoring will be in effect. Night work will occur for water line relocation on N. Orchard Ave. Wednesday night beginning at 11:00 pm until 4:00 am. No weekend work is anticipated at this time.

For Your Consideration:

- Due to the Public Health Emergency Directive, all public meetings including the stakeholder meetings will be conducted online or by phone.
- For assistance and resources for businesses affected by the current health crisis, please visit: <https://www.fmtn.org/578/Coronavirus>
- N. Orchard Ave. and public parking lot to the east will be restricted near alleyway for LID installation. Alleyway and driveways at parking lot will remain open and accessible.
- A City or contractor representative may be contacting business and property owners to coordinate sidewalk removal and replacement.

**Please note that inclement weather or equipment failure may cause delays. Schedule is subject to change.*

Thanks for your continued support and patience with this project!
