

2014 INSIGHT Citizen’s Academy SCHEDULE

All sessions (except The First and Graduation) are on Wednesday Evenings from 6 to 8:30pm

Participants will get to know department leaders and staff through hands-on tours and question & answer sessions. Get to know the people that make the daily decisions and find out how and, most importantly, why decisions are made. Government operations can be complicated if you don’t have the opportunity to be part of the action. Now you can get inside, get explanations, meet local officials, and gain a new INSIGHT into your local government.
