FAX (505) 599-1377

Dear Supplier:

The City of Farmington maintains a registration listing of suppliers/businesses who wish to receive Invitations to Bid. This computerized listing is categorized through a coding system which gives us the ability to match those interested to products and services needed by the City.

This listing is our primary source and reference to automatically send notifications for procurement of goods, services and construction. Consequently, we encourage this method since it is the only means to insure that you receive notification of competitive request for expenditures of more than \$10,000 in value. If you do not wish to be on the registration listing, you may still obtain competitive requests on an individual basis; however, this method will be your responsibility. The current file will be purged annually.

Competitive requests can also be accessed through the City's Fax Hotline System at 505-599-1116 and requesting document one (1) for a complete index. You may also review this document index on our Internet Website at www.farmington.nm.us.

In addition to automatic mailings of bid documents, our Buyers frequently use this listing to purchase items less than \$10,000 in value. This type of purchase represents the bulk of our buying.

Enclosed is an Application Form and a Commodity List Book to be used in completing the information we will need for our records. There is no fee required.

Commodities not found in our Commodity List Book should be noted on the bottom right hand section of the Application. These commodities will be added to our computer system, and updated in the next revision of the Commodity List Book.

If you have an In-State Bidder Preference Certificate with the State of New Mexico, please forward a copy for our files. If you wish to apply for the In-State Preference, please contact the State Purchasing Division at 505-827-0472, or write to: General Services Department, Purchasing Division, Joseph M. Montoya State Building, Room 2016, 1100 St. Francis Drive, Santa Fe, New Mexico 87503.

Should you have any questions on this or any other purchasing matter, please feel free to contact me.

Sincerely yours,

Lynette Singleton, C.P.M., CPPO
Purchasing & Materials Control Officer
