## To Our Valued Participants

Total Festival began in 1988 with the idea of creating a marketplace for Native American artists to share their skills and craftsmanship with the community, visitors and each other. The Festival has grown to more than 100 artist booths, a Contest Pow Wow, renowned Navajo Rug Auction and a variety of Artist Demonstrations. As a Foundation, we not only wish to bring more artists to the forefront, we strive to keep the cost low for our participants in order to enable them to establish their business and to learn how Shows and Festivals are operated.

We thank those artists that have been with us for the past 25 years. They are truly the building blocks of this operation. Without their support and good-will, Total Festival would not enjoy the success that it has today.

The Artist Advisory Committee has recommended to the Foundation an additional statement to our title, "Artists Helping Artists Keep Culture Alive". We wish each and every one of you success in your career and we are proud that you chose Total Festival as one of your annual Festivals.
