

RESOLUTION NO. 2021-1779

ADOPTING THE SAN JUAN COUNTY MULTI-JURISDICTIONAL HAZARD
MITIGATION PLAN

WHEREAS, the participating jurisdictions of the City of Farmington have worked together to develop a strategy known as the San Juan County Hazard Mitigation Plan to improve disaster resistance in the planning area; and

WHEREAS, the City Council for the City of Farmington acknowledges that natural and man-made hazards exists within San Juan County and these hazards have the potential of causing harm to the citizens, property, economy, and environment within the City; and

WHEREAS, a Natural Hazard Mitigation Plan has been developed that provides strategies for elimination or reduction of these hazards, including those of the City of Farmington; and

WHEREAS, the Federal Disaster Mitigation Act of 2000 (DMA2000) pursuant 44 CFR Part 201 and the Federal Emergency Management Agency (FEMA) require communities to adopt an approved hazard mitigation plan in order to be eligible to receive pre-disaster and post disaster federal funding for mitigation purposes; and

WHEREAS, the participating jurisdiction has participated in the hazard mitigation plan by the formation of a Mitigation Planning Committee (MPC); and

WHEREAS, the MPC recommends the formal adoption of the Hazard Mitigation Plan by the passing of this resolution.

NOW THEREFORE, BE IT RESOLVED that the Governing Body of the City of Farmington that:

1. The participating stakeholder hereby approves and adopts the Hazard Mitigation Plan in its entirety with projects as adopted by the MPC; AND agree to be governed by the Hazard Mitigation Plan attached hereto and incorporated.

2. The participating stakeholder authorizes the appropriate participating officials to pursue funding opportunities for implementation of proposals designated therein; AND will upon receipt of such funding or other necessary resources, seek to implement the actions contained in the pre-disaster mitigation plan.

3. The City of Farmington will ensure that all planning, including infrastructure planning, comprehensive plans, regional plans, and regulatory updates will take into consideration the hazards that can affect future projects. In addition, City departments will consult the San Juan County Hazard Mitigation Plan, the County and City Emergency and Floodplain Managers, prior to the approval of construction within the City to ensure that it does not conflict with the process of mitigating existing hazards.

4. The City Manager, or his designee, will monitor the progress in implementing the strategies of the Hazard Mitigation Plan.

PASSED, SIGNED, APPROVED AND ADOPTED this 19th day of January, 2021.
