Dear Business Associate:

The City of Farmington maintains a database of vendors who have expressed an interest in receiving notice of formal solicitations. This database is categorized by commodity/sub-commodity which gives us the ability to match those interested to products and services needed by the City. This database is our primary source and reference to send notification of formal solicitations for procurement of goods, services and construction. If you do not wish to be in the database, you may obtain competitive requests on an individual basis; however, this method will be your responsibility.

The Vendor Registration Form and Commodity List are located on the website. Commodities not found in our Commodity List Book should be noted on the Vendor Registration Form. This Vendor Registration Form will need to be completed online and submitted to be added to the vendor list. There is no fee required.

Competitive requests can also be accessed through the City of Farmington website at [www.fmtn.org](http://www.fmtn.org). You may register on the web site to receive notification when Bids/RFP's/RFQ's are posted to our website at: <http://www.fmtn.org/list.aspx?Mode=Subscribe#bids>. In addition to notification of formal solicitations, the Purchasing staff frequently use this database to purchase items through our informal, or Request for Quote process. This type of purchase represents the bulk of our buying.

If you have an In-State or Veterans Preference Certificate with the State of New Mexico, Taxation and Revenue Department, please upload a copy of the certificate. If you wish to apply for the In-State or Veterans Preference, please contact the New Mexico Taxation and Revenue Department at 505-827-0951, or access their website at [www.tax.newmexico.gov/Businesses/in-State-Veteran-Preference-Certification.aspx](http://www.tax.newmexico.gov/Businesses/in-State-Veteran-Preference-Certification.aspx).

Should you have any questions on this or any other purchasing matter, please feel free to contact me.

Sincerely,

Kristi Benson, CPPO, CPPB, CPO  
Chief Procurement Officer
